## How to Get There:

Meet at the top of Mt Ousley, opposite the truck stop.

1. Coming from 275, head up Mt Ousley and take the Picton Rd exit.
2. Very shortly, use the right hand turning lane to get onto the other side of Mount Ousley Rd.
3. At the intersection, turn right back onto Picton road, and go over the bridge and southbound (make sure you don't cross over all the way and take the exit road to Sydney).
4. Stay in the left lane, and take the exit to the parking area.
